FOREA

Integral management for forestry industry

> Payroll processing is twice as fast and I was able to **save almost $8,000**. With Forea, I have access to registers for PGES certification. I had a **50% gain in efficiency**. **It's another $2,000** in savings. The **geomatics technician saved $3,000** by simplifying data management. In addition, entering duplicate entries is impossible, which eliminates the risk of errors.
